Dear Parents,

I hope you are all keeping well.

School Year 2020-2021: The publication of the Roadmap for Reopening of Schools has brought some certainty to the educational landscape and we are fully committed to welcoming all our pupils back to school on August 27th. Anybody who has passed the school in recent times will have observed that there has been work going on continuously during July. Emergency works on our roof are nearing completion and our senior classrooms have been refurbished with new marmoleum flooring and have also been freshly painted. The school has installed hand sanitising units so that everybody will be able to sanitise on entering or leaving each classroom or any part of the school. Over the last month interviews were held for vacant positions and below please find the class allocation for next year.

Junior Infants A	Ms Conroy
Junior Infants B	Ms McKenna(covering Ms Carroll mat leave)
Senior Infants A	Ms Perrill
Senior Infants B	Ms Delaney
1 st Class A	Ms McDonald
1 st Class B	Ms Sheary
2 nd Class	Ms Boland
3 rd Class A	Mr Raftery
3 rd Class B	Ms O Doherty
4 th Class A	Ms Keyes (covering Ms Copse mat leave)
4 th Class B	Ms Doheny
5 th Class	Ms Deloughrey
6 th Class	6 th Class

At the moment, we are looking at the Roadmap line- by- line as we prepare for reopening. I will be in touch with all families before the end of August so that parents are fully aware of arrangements for the new school year. It will be a different landscape in the short term with safety of children and staff on top of the long list of priorities. I know that we will adjust and adapt and I have no doubt that the children will do so, faster than any of us.

I hope August brings good weather and good news on the Covid front. I look forward to the year ahead with confidence and optimism.

Le dea ghúí

Michael Feeney

Principal
