Dear Parents,

It is great to have all our children back in school. The sound of learning coming from the classrooms is something that we have really missed not to mention the sound of the children playing at yard time. The children are settling right back into the routine of the school day and are so happy to be with their friends again. Thank you all for your co-operation, particularly when dropping and collecting your children to and from school.

We have overcome many challenging circumstances yet again this term. I have been impressed by everyone's commitment to our pupils' education and welfare throughout. A review of our google classroom interactions during the recent lockdown just shows the phenomenal amount of work undertaken by teachers, SNA's, the children and you as parents. Our whole school community has demonstrated such a resilience and teamwork for which we can be proud. That should give us all great confidence that, by working together, we can overcome any challenge.

Children will bring home some books today and tomorrow as a precaution. We are optimistic about re-opening for the summer term, and are making a lot of plans, but the situation with public health is still fragile.

We still await dates for our rescheduled Confirmation and as soon as we have this information we will be in touch directly. At the moment, the dates for First Holy Communion still apply but we will have to wait and see how and when restrictions begin to lift after the government's announcement on April 5th.

This Friday, March 26th, our school will close for our Easter Holidays @ 12:30pm. The aim of the staggered closing is to help reduce numbers gathering at collection time.

Junior Infants and their siblings: 12pm in the basketball court

Senior Infants and their siblings: 12:10pm in the basketball court

Only Children 1st Class and Up: 12:20pm (usual exits)

All other students: 12:30pm (usual exits)

School will re-open on Monday April 12th.

We hope that you keep safe and well over the break.
