Family Fun Day

It was disappointing that our Family Fun Day had to be postponed but we look forward to it early in the new school year. I really want to thank everyone who has supported it and our wonderful Parents

Association for all their hard work. Family FunDay Colouring Competition winners were announced at our final assembly. Well done to everyone.

School Tours

On 23rd May, 7th & 8th June, all classes went on their respective tours to Free range Kids, Turoe Pet Farm, Active Kingdom and Redhills Adventure Centre. They were a great success and enjoyed by all.

Healthy Eating Policy

Thanks to everyone who contributed to the review of our Healthy Eating Policy. It has been ratified by the Board and will be available to view on our website.

Sports Day

Our Junior and Senior Sports day was a great success.

Limerick Primary School Sports

The annual Primary School Sports in Plassey took place on Wednesday May 17th. Well done to our boys

and girls athletics teams who competed in the A division. We are so proud of how our children performed and how they supported their teammates, as well as friends from other schools.

East Camogie Final

We are very proud of our girls team who qualified for the East camogie final. They played their hearts out and were narrowly defeated in the last puck of the game. Keep up the camogie girls!

Girls Basketball Final

Another great achievement for our girls was qualifying for the division 1 basketball final. Although we were defeated on the day the girls gave it their all.

Science Blast

Congratulations to our 4th class pupils who exhibited their project at Science Blast in Mary Immaculate College. Their project on electricity was very well received by the judges and visitors to the fair. They put huge effort into completing their investigation "Why don't birds get electrocuted when they sit on power lines?" They also

looked at how we can conserve energy in our school and their initiatives reduced consumption by 25%. They were busy fielding questions on their study throughout the day and they also got to enjoy the other science shows.

New Entrants

We had our induction evening for our new Junior Infants on Wednesday 14th June. We look forward to welcoming them to our school in August.

A Transition to Secondary

School programme for our 6th class pupils was held on 29th May with the Limerick Youth Service.

6th Class Graduation

The "End of Year Ceremony" to mark and celebrate the sixth class pupils' time in our school was held on Tuesday 20th June. We especially wish our sixth class pupils all the best as they transfer to their respective Post Primary Schools.

Final School Assembly

During our final school assembly hosted by the Wellbeing Committee, we marked the wonderful achievements of this year including sports, chess and art.

Report Cards

Your child's report card can be accessed via the Aladdin

connect app. If you have any difficulty with same please contact reception.

New Book Scheme As you are aware the new free school book scheme comes into effect from September. Every book, workbook and copy your child requires will be provided by the school. You will get a Stationery List this week.

Summer Works We are constantly maintaining and upgrading our school facilities in Lisnagry. During the summer closure this year, we are upgrading more flooring and painting interior corridors. We also hope to start work on our new sports activity wall.

Class Allocation We have a large number of teaching vacancies to fill again for September. Interviews will be held in the next few weeks and once this process is complete I will notify you of the class allocation.

Summer Holidays As we near the end of this academic year, I would like to thank all our parents and staff for their constant support, hard work and commitment to our school. Special mention to our wonderful school secretary Fiona who does trojan work and keeps the ship afloat at all times. I believe that the children benefit hugely due to the close relationship among all members of our school community. It is a great team effort and I look forward to the school year 2023/24. I wish you all a pleasant summer break and we will see you all when school reopens on Wednesday 30th August. School Closes for summer break this Thursday 22nd at 12:30.
